

Aboriginal Education

First Nations students attending Ten Broeck Elementary experience high levels of success. This can be attributed to many reasons, including close home/school relationship, academic support and cultural enrichment activities.

1. Home School Connections include ongoing communication, open door policy in the school and Ab.Ed room, district and district based family gathering.

2. Academic Support includes: small group instruction, reading tutors, after school homework, student mentors, teaching assistant support, scholarships for 'Read and Rec' summer program... The Grade Four Social Studies program included: soapstone carving, Inuit Culture, Stol:lo fishing tools and implements, Stol:lo tools and implements, First Nations Government past and present, Salish Weaving and Cedar.

3. Cultural Enrichment include - variety of cultural art projects, sharing circles, presentation, field trips, Salish Weaving, Tipi presentation, afterschool art group, storytelling
