

School Registration Guide for Kindergarten Students with Diverse Learning Needs

Kindergarten students with Diverse Learning Needs **attending pre-school** programs at the Child Development Center (CDC)

Register student in catchment school as required - accept any paperwork the parent brings.

Give Parent a copy of ***A Guide for Parents of Kindergarten Students with Diverse Learning Needs.***

February - CDC will alert District LSS Helping Teachers to all students with diverse learning needs who will be transitioning to Kindergarten and who may require extra support.

March/April - Initial meetings will be set up by the District LSS Helping Teachers with the School Based LSS, parent and CDC case manager.

At this meeting an appropriate transition plan will be developed and a school based transition meeting will be set up for May or June.

Kindergarten students with Diverse Learning Needs **NOT attending pre-school programs** at the Child Development Center (CDC)

Register student in catchment school as required - accept any paperwork parent brings.

Give Parent a copy of ***A Guide for Parents of Kindergarten Students with Diverse Learning Needs.***

School Clerical alerts Principal/ LSS Teacher about registration.

Principal or School Based LSS teacher contacts the District LSS Helping Teacher to assist with designation and transition.

March through June - School will set up transition meetings as required. District LSS Helping Teacher may attend depending on support level required for the student.
